

**THRIVING COMMUNITIES**  
launch strong families

**STRONG FAMILIES**  
launch successful kids

**SUCCESSFUL KIDS**  
launch a prosperous  
future for Kentucky

# 2017 Legislative Policy Priorities

- Make homes healthier for children and their families with a statewide Uniform Residential Landlord Tenant Act (URLTA)
- Recognize close family friends as kinship caregivers
- Support kinship caregivers by reopening the Kinship Care Program and streamlining access to resources
- Strengthen background checks for personnel in public schools, youth camps, and private child care providers
- Ensure quality and equitable learning for children in the care of state agencies
- Build safer communities and stronger kids with effective responses to children who get in trouble
- Expand the list of offenses that youth can expunge and make the process to expunge or seal records automatic
- Keep families connected by limiting the incarceration of adults for minor offenses and better support children whose parents are incarcerated
